REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board of Marlow:

I herewith submit my second annual report as your Superintendent of Schools.

In these times when it is hard to raise taxes, may I pass rapidly over the usual lines that reports cover that I may help make clear the condition of finances.

We have two experienced teachers, Miss Eva Olnstead in the upper grades, and Mrs. Evelyn Gill in the lower grades. The children in the lower grades are making good progress in reading, and the children in the whole building seem industrious and happy.

I wish that soon we might be able to make the lower grade room as attractive as the board did the upper grade room.

Attendance has improved for a number of years. In the table below I am giving some of the important statistics over the last six years.

	1925-6	1926-7	1927-8	1928-9	1929-0	1930-1
Number of pupils registered,	69.00	81.00	64.00	66.00	72.00	56.00
Average membership,	58.20	61.10	57.40	56.00	58.60	49.90
Per cent attendance,	88.50	92.80	92.30	93.90	95.50	96.90
Cases of tardiness,	142.00	205.00	151.00	137.00	175.00	78.00
Average salary of teachers,	950.00	984.87	1000.00	913.00	925.00	925.00

In the table of comparisons the estimate is made from our expenditures to date and our needs for 1931-32; the estimate for 1932-33 was made by the Marlow school board.

I wish to thank the Marlow school board, the teachers and the citizens for their kindness and help.

Respectfully submitted,
WALTER L. MASON.

This extra state check this year is an accumulation of credits over a number of years.
